Re: Duo Lingo English Proficiency Test to Assist Applicants/Applications

Due to circumstances surrounding Covid-19 and understanding that all English Language Proficiency Test Centres still remain closed, we have decided to resurface and now extend until further notice previously accepted (prior to January 6, 2020) **Duo Lingo Test** to assist our applicants and their respective program applications.

That said, please kindly find below a list of conditions under which the Duo Lingo Test may be offered/accepted from an applicant so that they may potentially meet the English Language Proficiency (ELP) requirement:

- A minimum *valid* Duo Lingo Test score of 115 points, is required.
- Applicant must have an active (submitted) application at the College.
- Applicant must have received the email from the Admissions office on or after Friday, February 14, 2020 indicating that they are required to meet the English Language Proficiency (ELP) requirement.
- The Duo Lingo Test score will *only* be accepted from an applicant if it was previously specified by the Admissions office and within an established deadline.

To note: This is a *provisional* measure being taken by the College to accommodate the applicants during these unprecedented times. As such, this provision will be assessed on a case-by-case basis and ***more than one*** aforementioned conditions need to be met for it to be offered to an applicant. Further, the provision is subject to change without prior notice; dependent on the present circumstances. Therefore, please ensure your eligibility under this accommodation by speaking to an Admissions representative at Ashton College.
